The Stony Brook-Millstone Watershed Association is central New Jersey's first environmental group. Since 1949, we've been protecting clean water and the environment in the 265-mile region drained by the Stony Brook and the Millstone River.

We pursue this mission through conservation, advocacy, science and education. We maintain a 930-acre Reserve in Pennington with over 10 miles of hiking trails as well as the Buttinger Nature Center and Kate Gorrie Butterfly House.

Nature & Ecology Afterschool Enrichment 2011-2012

With the Teacher-Naturalists of Stony Brook-Millstone Watershed

Conducted weekly at YOUR school from
3:30-5:00PM

Enrollment open *NOW!*

Hopewell Elementary School
Mondays

Bear Tavern Elementary School
Mondays

Toll Gate Grammar School
Tuesdays

Stony Brook Elementary School
Wednesdays

Join this weekly afterschool outdoor exploration of the natural world, right outside your school. Each week students in Kindergarten through Grade 5 will learn about the local ecology, fueled by their sense of wonder, with the guidance of one of the SBMWA Teacher-Naturalists. Our aim is to elevate the students' understanding of their local environment while also connecting the soul of the child with the heartbeat of the natural world. Activities are conducted outdoors, totally hands-on and experiential, and coordinated with the seasons. Our activities may include:

- Finding animal tracks and making plaster casts
- Sprouting seeds and growing plants
- Building terrariums
- Dissecting owl pellets
- Discovering animal homes outdoors
- Creating 'fossils'
- Exploring insect life
- Creating and keeping a weekly journal
- And much, much more!

Our professional Teacher-Naturalists work year-round with children of all ages – preschool through high school! Our Staff attends, as well as presents, professional development courses throughout the year. They all possess current certification in first aid and CPR.

FEE: \$50 per child per month (4 consecutive weekly sessions), payable in advance and in full. SBMWA accepts payment by:

- Check (payable to SBMWA)
- CASH
- Credit Card (Mastercard, VISA, Discover)

Sessions begin the week of September 12, 2011 and continue through June 2012. Register your child(ren) monthly. Payments are due by the first session of each month. No refunds or credit will be given for any missed weekly sessions. *10% discount for registering your child(ren) for entire school year. Ask about sibling discounts too!*

Weekly sessions will not be held when schools are closed and/or afterschool care is suspended.

Children enrolled in afterschool care will be returned to that program. Children not enrolled in afterschool care must be picked up in the classroom at 5:00PM.

Registration is EASY:

Complete and SIGN the registration form (1 per child) and return to SBMWA with payment. Upon receipt, you will receive a confirmation packet with more information.

QUESTIONS? Please call the Buttinger Nature Center at 609-737-7592.

Registration Form
Nature & Ecology Enrichment
