

The Ewing School District and POAC Autism Services are Pleased to Present a
Free Training Series for:

Parents, Professionals, and Paraprofessionals

Working with Children with Autism and Other Developmental Disabilities

All Workshops are from 7:00 PM to 9:00 PM Except Where Noted

<p>Full Day Overview of ABA/VB <u>November 19, 2011 Antheil Elementary School 8:30am to 4:00pm</u> This full day intensive workshop is intended for parents and teachers who wish to implement Applied Behavior Analysis (ABA) in their home or school programs. Specifically, the operants derived from B.F. Skinners analysis of Verbal Behavior will be introduced and explored.</p>	<p>Overview of Autism – A Parent’s Perspective <u>November 29, 2011 Fisher Middle School</u> This workshop covers the signs and symptoms of autism, treatments options, educational issues, and real life coping strategies.</p>	<p>Managing Problem Behavior <u>December 13, 2011 Fisher Middle School</u> Identify the functions of behavior, manipulate antecedents to make the behavior less likely to occur, and implement the appropriate protocols to decrease the behaviors.</p>
<p>Social Skills for Early Learners <u>January 10, 2012 Fisher Middle School</u> This workshop will focus on determining age appropriate social skills and how to incorporate social skill instruction into your child’s daily routine. There will be a general overview of typical and atypical social development and practices designed to enhance the development of these skills.</p>	<p>Teaching Life Skills to Children with Autism – A Hands-On Workshop <u>February 23, 2012 Fisher Middle School</u> This workshop and participants will have the opportunity to practice specific teaching skills for activities such as chores, bathing, and routines of daily living.</p>	<p>Hidden Dangers and How to Keep Children and Adults with Autism and Other Developmental Disabilities Safe in the Community, School, and Home <u>March 20, 2012 Fisher Middle School</u></p>
<p>Using the ABLLS in your Autism Program at Home or School <u>April 24, 2012 Fisher Middle School</u> This tool identifies language skills and other functional skills that other tests do not assess. It clearly identifies skill deficits and displays levels of performance making it an excellent IEP development guide.</p>	<p>Developing Conversational Language Skills – Getting to the Intraverbal <u>May 15, 2012 Antheil Elementary School</u> This workshop addresses how to help students develop social conversation skills, also known as intraverbal language, through systematic teaching that can be done in both home and school settings.</p>	<p>Save the Date for Walk For a Difference Walk-a-thon Saturday, April 28 2012 www.mercerwalk.org Rides, Food, Entertainment And a Resource Fair</p>

Register for all these workshops on line at www.poac.net.
