**Want to know more about HVEF?** The Hopewell Valley Education Foundation is a 501(c)(3) not-for-profit whose mission is to enhance the educational experience in Hopewell Valley schools through the identification and development of community partnerships and resources. For almost 20 years, the HVEF has been committed to gathering and distributing financial resources to ensure the continued success of our students. Funding from the Foundation and our partners makes a huge difference for the young people of Hopewell Valley, especially now in the wake of shrinking state allocations and rising costs. Recent programs such as **YouthInk!**, **Author in Residence**, and **Project Lead the Way** have been funded by the HVEF through the generosity of local businesses, corporations, and families like yours.
