

June 18 to 24 Mon - Fri

All About Me!

9-12 noon • Ages 6 to 8 \$170
Teaching artist: Heather Saltzman
Explore what makes you unique. Learn the basic steps of drawing faces, and create a self-portrait. We will talk about our hobbies, construct mixed media collages and paint with your favorite colors!

Sketch and Paint on the Farm

9-12 noon • Ages 9-12 \$170
Teaching Artist: Jo-Ann Osnoe
Working outdoors, we will sketch and paint some of the fabulous scenes on the grounds of the Art Center. We will explore the different textures of our natural world, man-made machinery and well-worn buildings, as well as the vistas of the ever-changing fields as we create a journal with pencil sketches, pastels and watercolor paintings of our on-location observations.

One-of-a-Kind Art! NEW!

1 - 4 pm • Ages 8-12 \$170
Teaching Artist: Heather Saltzman
Create one-of-a-kind works of art inspired by modern artists such as Van Gogh and Picasso using bold colors, patterns, shapes and textures. Design an optical illusion like those of Victor Vasarely! We will learn a number of art techniques while using a variety of materials such as paint, pastel and colored pencils.

My World: Mixed Media Self-Portrait

1 - 4 pm • Ages 9-12 \$170
Teaching Artist: Jo-Anne Osnoe
Based on our individual choice of theme, we will begin with a self-portrait, and create a still life of favorite objects and a landscape of a favorite real or imagined place. We will work in the media of our choice to create 2D and 3D elements for an assemblage of a mixed media shadow box that is a true reflection of ourselves.

Summer Themed Painting & Drawing NEW!

1 - 4pm • Ages: 5-8 \$170
Artist Teacher: Robert Esposito, Jr.
Imagine that you are scuba diving along a colorful coral reef. As you swim along these living formations that have become home to thousands of species of underwater life, what kind of creatures will we encounter? Using that inspiration, we will design our very own fish or aquatic creatures, and then we will create underwater magic pictures! In keeping with the theme of summertime and vacations, we will also create summer landscapes and pool scenes. We will use acrylic painting techniques and found objects, and we will learn about composition, color and form.

July 2, 3, 5 & 6 four days

NO Camp on July 4th

Teddy Bear Picnic NEW!

9 - 12 noon • Ages 5 - 8 no camp July 4 \$140
Teaching Artist: Jo-Ann Osnoe
Students will bring their favorite teddy bear to class as inspiration in exploring the art of shape, texture, and line and to create drawings and still life paintings of their teddy bear muses in pencil, charcoal, pastel and tempera paint/mixed media. We will have a teddy bear picnic on the last day of camp.

Draw Animals & People NEW!

9 - 12 noon • Ages 5 - 8 no camp July 4 \$140
Teaching Artist: Christina Harrison
Learn to draw starting from basic shapes to create animals like giraffes, lions, horses and a variety of more. Learn how to draw people running, sitting and other positions. The final drawing will be a scene of animals and people together.

3-D Bugs & Lizard Sculpting NEW!

9 - 12 noon • Ages 8 - 12 no camp July 4 \$140
Teaching Artist: Robert Esposito Jr.
Exploring the grounds of the Art Center, we will examine and observe different species of the local creepy crawlies, specifically the bugs and lizards! We will learn from their bodies, wings and legs all about proportion, balance and shape. Then using techniques such as coil, we will combine different shapes to create sculptures of our own 3-D bugs and lizards, as well as create individual habitats for their exoskeletal creations.

All About Sports NEW!

1 - 4pm • Ages 5 - 8 no camp July 4 \$140
Teaching Artist: Christina Harrison
Soccer, baseball, basketball, hockey and more will be the focus of the works of art in this course. You will learn about different sports and choose your favorite ones to create a painting of a sports scene, a pastel drawing of sports equipment and a colored pencil drawing of yourself playing sports.

Origami NEW!

1 - 4pm • Ages 9 - 12 no camp July 4 \$140
Teaching Artist: April Zay
Copy will follow.....
Learn the Asian art of paper folding and create beautiful 3-D pieces from colorful papers. You will make different types of Origami folds and modular pieces. By the end of the week, you will be able to follow printed directions, make traditional designs and create display pieces such as flowers and/or origami sculptures. Join us!

July 16 to 20 Mon-Fri

Let's Get Wet - with Watercolors!

9-12 noon • Ages 6 to 8 \$170
Teaching Artist: Susan Mitrano
Make a splash with watercolors this summer! Students will learn basic techniques such as wet-on-wet, resist, color mixing and creating gradations. Starting with a simple abstract project, they will expand on these skills in summer-themed project.

Wearable Crafts

9 - 12 noon • Ages 8 to 12 \$180
(price includes T-Shirt)
Teaching Artist: Heather Saltzman
Create art that you can wear! Explore clothing and accessories throughout different cultures, and then use an array of art materials to create unique pendants and key chains, silly hats, and crazy masks. We'll even tie-dye shirts!

Building a Marionette NEW!

9 - 12 noon • Ages 12 to 15 \$170
Artist teacher: Renee Egan
Come experience an exciting creative design week! Students will build their own personnel Marionette that they design.
Many steps of construction like sewing, molding clay heads and stringing them on to dowels. We will also take a look at the history and the beginnings of Marionettes all the way up to contemporary puppet making and their performers. Student will discover the magic and mysteries of Marionette building and construct their very own to take home.

Lions, Zebras, Elephants, Oh My!

1 - 4 pm • Ages 5 to 8 \$170
Teaching Artist: Christina Harrison
Take an imaginary adventure on an African Safari and discover new animals. You'll learn the facts about the animals, their environment and create works of art that represent the animals. Create a monkey puppet, a painted zebra collage, giraffe and elephant sculpture and a painted lion collage.

Discovering Great Artists

1 - 4 pm • Ages 9 to 12 \$170
Teaching Artist: Jo-Ann Osnoe
We will explore the styles and techniques of some of the world's great artists, then combine their process with our individual creativity to produce unique finished products. Artists referenced will include Van Gogh (Post-Impressionism), Seurat (pointillism), Louise Nevelson (sculpture), and Henri Matisse (cut-outs).

Super Heroes & Anime

1 - 4 pm • Ages 10 to 14 \$170
Teaching Artist: Heather Saltzman
In basic steps, learn how you can draw super heroes, anime and cartoon characters! Bring a picture of your favorite character and learn how you can accurately reproduce it. We'll discuss drawing facial features, body proportions and other details to make your very own unique design. You'll enjoy seeing it all come together as you create a graphic novel page, which you can ink and add color to just like a real illustrator!

July 30 to August 3 Mon-Fri

Dinosaurs Fossils and More

9-12 noon • Ages 5 to 8 \$170
Teaching Artist: Heather Saltzman
Each day begins with a lesson, story or a picture book to foster your child's creativity. Go back to the Jurassic Era and create a wide variety of projects-an actual dinosaur egg in a nest, hunt for dinosaur eggs, make a 3-D dinosaur, fossil imprints and more.

Horsing Around With Art

9 - 12 noon • Ages 9 to 12 \$170
Teaching Artist: Christina Harrison
Horsing around in art! Learn basic parts of the horse body and about the riding styles of English and Western. You will create a 3-D horse sculpture, draw and paint horses in English and Western. Feel rewarded with the knowledge learned and beautiful works of horse art at the completion of this course!

Create A Scrapbook

1 - 4 pm • Ages 9 to 12 \$170
Teaching Artist: Christina Harrison
Birthday, holiday and vacations memories displayed. Bring your photos and make a scrapbook of your memories with family and friends! A scrapbook (40 pages with an average of 3 photos per page), scrapbook paper, embellishments and other materials will be provided. Overall design guided by the teacher.

Sculpture & Mobiles/Go Green! NEW!

1 - 4 pm • Ages 9 to 12 \$170
Teaching Artist: Danielle Nutt
Using found & re-cycled materials, students will learn how to objects utilize them in a creative manner to make interesting Sculptures and Mobiles. Awaken your imagination! Bring your collection of found and recycled materials on the first day.

August 6 to 10

Beginners Cartoon Magic NEW!

9 - 12 noon • Ages 6 to 12 \$170
Teaching Artist: Heather Saltzman
Here's your chance to learn to draw specific cartoon features such as eyes, nose and mouth. Learn the basic fundamentals of cartooning and create your own imaginative characters. Using humor and exaggeration, students will learn how to portray emotion and create their very own storyboards. See your storyboards come alive as you ink and color your finished drawings! Learn the basic fundamentals of cartooning and create your very own comic strip! Learn easy ways to draw cartoon features and create your own imaginative characters!

Buildings & Houses in 3-D

9 - 12 noon • Ages 9 to 8 \$170
Teaching Artist: Christina Harrison
Create 3D homes and buildings from a variety of materials and learn about architectural design. You will learn about different kinds of homes and time periods.

Underwater Fantasy, Mermaids & Sea Creatures NEW!

1 - 4 pm • Ages 5 to 8 \$170
Teaching Artist: Christina Harrison
Underwater creatures, mermaids and pirates will be explored through creating works of art. Be ready to use your imagination to create unique multimedia illustrations and sculptures.

Jun 25-29 Mon- Fri

Magical Land of Fairies

9-12 noon • Ages 5 to 8 \$180
(Includes \$10/wooden fairy house)
Teaching Artist: Heather Saltzman
Use your imagination to design and paint your very own magical fairy house using found objects and natural materials right from Patterson Farm. Then, create a beautiful fairy to accompany your house using clothespins, yarn, fabric and paint. Last, we'll add a special touch of fairy dust to finish it off!

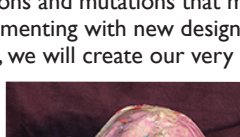

Beginners Fashion Camp

9-12 noon • Ages 9 to 12 \$170
Teaching Artist: Christina Harrison
Design an outfit! Drawing, basic sewing and creating outfits with accessories will be done during the week. Bring in jeans and a tee shirt that can be altered. Create your own fashion designs that can be worn all summer.

Dragons, Monsters, & Creatures NEW!

1 - 4 pm • Ages 5 - 8 \$170
Teaching Artist: Robert Esposito Jr.
Dragons, monsters and creatures, oh my! We will dare to explore the wild variations and mutations that make up all the features and forms of monsters. Experimenting with new designs for eyes, teeth and torsos of these imaginary beasts, we will create our very own.

your own imaginative characters. Using humor and exaggeration, students will learn how to portray emotion and create their very own storyboards. See your storyboards come alive as you ink and color your finished drawings!

Cartoon Magic \$170

1- 4 pm • Ages 9 -12
Teaching Artist: Heather Saltzman
Here's your chance to learn to draw specific cartoon features such as eyes, nose and mouth. Learn the basic fundamentals of cartooning and create your own imaginative characters. Using humor and exaggeration, students will learn how to portray emotion and create their very own storyboards. See your storyboards come alive as you ink and color your finished drawings!

Shapes, Texture & Patterns

1 - 4 pm • Ages 9 -12 \$170
Teaching Artist: Smita Rao
Be inspired by the natural world around us. Use materials from nature such as leaves seeds and vegetables to incorporate their organic patterns into art. Learn to use shapes, patterns & textures found in nature to create your own designs.
