The Board of Education establishes the following guidelines for the involvement of school staff and community members in each building's system of intervention and referral services pursuant to N.J.A.C. 6A:16-8.3.

Each PAC Team will be composed of the Principal or a regular teaching staff member appointed by the Principal to act in his/her place; a regular teaching staff member; an educational services staff member; the staff member who referred a pupil in need of assistance or identified an issue requiring remediation; and such other staff members as may be required to assist the pupil or study the issue.

The PAC Team will identify pupils in need and plan for appropriate intervention or referral services and/or referral to community resources, based on desired outcomes.

When a pupil is referred to the PAC Team, the team may provide support and guidance to the pupil's classroom teachers, plan and provide for appropriate interventions, coordinate access to and delivery of school services to the pupil, and coordinate the services of community members and/or community-based social and health provider agencies that may aid in the development and implementation of intervention and referral services action plans.

Parent(s) or legal guardian(s) shall be notified whenever a pupil is referred to the PAC Team, except as such notice may be waived by laws protecting abused children and the confidentiality of persons seeking drug or alcohol rehabilitation. Parent(s) or legal guardian(s) shall be offered an opportunity to participate in the development and implementation of intervention and referral services action plans.

The Principal shall, in consultation with the PAC Team, report to the Board at the end of the school year on the concerns and issues identified by the team and the effectiveness of the services provided in achieving the outcomes identified in the intervention and referral services action plans.
