

5410 PROMOTION AND RETENTION

The Board of Education recognizes that each child develops and grows in a unique pattern and that pupils should be placed in the educational setting most appropriate to their social, physical, and educational needs. Each pupil enrolled in this district shall be moved forward in a continuous program of learning in harmony with his/her own development.

Standards for pupil promotion shall be related to the New Jersey Core Curriculum Content Standards and district goals and objectives and to the accomplishments of pupils. A pupil in the elementary grades will be promoted to the next succeeding grade level when he/she has completed the course requirements at the presently assigned grade; has achieved the instructional objectives set for the present grade; has demonstrated the proficiencies required for movement into the educational program of the next grade; and has demonstrated the degree of social, emotional, and physical maturation necessary for a successful learning experience in the next grade.

Classroom teachers shall recommend to the Building Principal the promotion or retention of each pupil. Parent(s) or legal guardian(s) and adult pupils may appeal a promotion or retention decision to the Principal whose decision shall be final.
